

Fairwinds' Ladies Only Clinics

Every Tuesday beginning **October 6th** ladies join us for a one-hour instruction clinic at 2:30 PM. Topics will range from putting, chipping, full swing, rules and on-course instruction. Following the instruction ladies have the option of playing a fun 9-holes of golf using a scramble format. This is a great opportunity for the beginner or novice player to get some great instruction and enjoy the sunshine. Cost for the clinic is just \$20 per session and an additional \$15 to play 9 holes. Just call the golf shop at 462-4653 to sign up today!!
