

Practice & Play Program Information

We are pleased you have chosen Fairwinds as your practice destination. In addition to the dual sided range we offer two putting greens and chipping and pitching area complete with bunkers. We believe the practice areas at Fairwinds will allow you to improve in all aspects of your game.

The Practice Facility is open Wednesday thru Monday from 7 AM until approximately 1/2 hour prior to dark. Tuesdays hours are from 7 AM to 5 PM to allow for maintenance operations.

We ask that Members use the West end of the range for extended practice, balls are kept in the gazebo. Should you be playing and need to warm up please check with the starter for range balls. If a starter is not on duty the golf shop attendant will issue you tokens to get balls prior to your round.

When available you may take a cart to the West end of the range to practice. Please drive down the cart path on #1 to get to the tee. Please use parking area behind the tee. At no time are carts permitted on the tee. Remember players teeing off have the right of way, please do not drive around any groups teeing off. When carts are not available a Fairwinds Team Member will transport you to the tee. When your practice is complete phone 462-4653 and we will pick you up.

You have been issued a **BLUE** bag tag please attach it to your bag. From time to time Driving Range Attendants may ask to see your tag. Bag tags are not transferrable.

Taking your practice to the golf course is a BIG part of improving. Fairwinds' program makes that very affordable. As a P&P member you pay just a cart fee when you play after 3pm. **Yes that is just \$10 for 9 holes or \$15 for 18 holes all year long!**

Our goal is for you to enjoy your practice and playing experience and improve. Should you need some help, the staff of PGA Professionals offer both private and group instruction. Below is our regular clinic schedule:
