

Couples Golf

*Fairwinds
Golf Course*

Every Saturday come join the fun with Fairwinds Couples' Golf Group!

The format makes this group FUN. It is a two person team quota game, where bogey is 1 point, par is 2 points, birdie is 3 points and eagles are 6 points. The first time you play your quota is established and each week it is adjusted based upon how many points you make. Teams are randomly drawn each week and the winning team is the one that exceeds their quota the most.

\$3.00 per player is collected for prizes. The group starts every Saturday at 11:15 am. Following play teams are drawn and prizes distributed at The Rusty Putter.
